### **FISCAL NOTE**

# SB 2252 - HB 2322

January 31, 2004

**SUMMARY OF BILL:** Prohibits the reimbursement for airplane travel in excess of standard coach fare for the applicable flight, to any official, officer or employee of state government or the University of Tennessee Board of Trustees or the State Board of Regents, or any institution under their control.

### **ESTIMATED FISCAL IMPACT:**

## **Decrease State Expenditures - Less than \$50,000**

To the extent airfare is being reimbursed at an amount in excess of standard coach fare, state expenditures will decrease. However, it is assumed that in most cases, travel expenses are being reimbursed according to the Comprehensive Travel Regulations promulgated by the Department of Finance and Administration, which generally require coach travel. Therefore, the impact on state government is estimated to be less than \$50,000.
